GOTS
 100% organic cotton by GOTS Sustainable Textile methods certified and inspected by Control Union. The aim of the standard is to define requirements to ensure organic status of textiles is made using organic raw materials and environmentally and socially responsible methods. **License no: CU810963.**

EU ECO-LABEL
 The official EU label for Greener Products. Eco-labelled products have comparatively modest impact on air, water, soil, quality, natural resource consumption, global warming and biodiversity. Products must pass rigorous environmental fitness tests, with result verified by an Independent body. The label adorns top-performing product only. **License no: DK/16/049.**

FAIRTRADE
 The Fairtrade Certification Mark is your independent guarantee that the cotton in this product has been certified in accordance with international Fairtrade Standards - www.info.fairtrade.net. The cotton farmers are paid a fair price. The environment is protected as much as possible. The farmers decide democratically how to invest in social projects in their community. **License no: 19007.**

SA 8000
 SA8000 measures the performance of companies in eight key areas: Child labour, forced labour, healths and safety, free association and collective bargaining, discrimination, disciplinary practices, working hours and compensation.

WINDMILL
 Wind power is the main power source at the facilities providing four times as much energy as actually used. The surplus is sent to the network for the benefit of local communities and reduces CO2.

OEKO-TEX
 Oeko-Tex 100 Standard comprehensively addresses the Human Ecology component of textile products. It evaluates and screens for any harmful substances present within processed textiles, which are intended to come into contact with consumers. **License no: ZHGO 034436.**

All our products have certificates proving that they have been manufactured according to the highest ethical and environmental standards. These standards are defined and monitored by independent organizations. All of them internationally recognized.

Our certificates are more than just funky looking stamps on the final product.

We have them because they serve a purpose. Together they cover every single part of the production process.

More comprehensively than any other clothing brand in the world.

We think of it as being certified okay.
